

KENNEL SPONSORSHIP

By signing up as a Kennel Sponsor, you're ensuring that our dogs receive medical attention, food, shelter, enrichment and love. For many of our dogs, this may be the first time in their life they've been truly loved and cared for.

Everydaystray NGO (Reg. No: 205916013)

COMPASSION, INTEGRITY AND DEDICATION.

Three words that guide us everyday in our work.

Established in 2019 our mission is to give street dogs a second chance at life. We rescue them, give them the care they need and find them loving homes.

We are a non-profit registered Non-Governmental Organisation. We are based in Dragonovsti, Bulgaria serving the municipality of Gabrovo. Our services are needed in the area to implement innovative programs such as neutering, community education and working with owned chained dogs to alleviate the problem of too many unwanted dogs.

FOR 240€ PER MONTH, YOUR SPONSORSHIP WILL HELP TOWARDS:

- Medical care

- Bedding
- Shelter and comfort necessity for the time of their stay

We are always working on making the space better and more beautiful for the dogs. Here is a snapshot from the renovation of our Everydaystray shelter.
